CLARIFICATION

### Background:

Executive Orders 24-208 and 24-214, as amended and extended and FDOT Emergency Orders 24-08 and 24-12, as amended and extended authorized the Department of Transportation to relieve the size and weight restrictions for divisible loads on any vehicles transporting emergency equipment, services, supplies, and agricultural food commodities and citrus in excess of the normal restrictions on weight, height, length, and width restrictions for such vehicles.

Pursuant to this authority, the Florida Department of Transportation issued an Emergency Road Use Permit letter to permit the movement of divisible loads on any vehicles transporting emergency equipment, services, supplies, and agricultural food commodities and citrus in excess of the normal restrictions on weight, height, length and width.
