

FTA/SMC Safety Awards

Competition 2022 SAFETY PROFESSIONAL OF THE YEAR ENTRY

Entries must be received in the FTA office by Friday April 1, 2022
Competition period for this awards program is January 1, 2021 – December 31, 2021.

The object of this program is to advance standards of excellence for truck fleet safety professionals. Recognition for those accomplishments that are judged outstanding will be a special plaque and ring from Florida Trucking Association and FTA Safety Management Council.

WHO MAY SUBMIT NOMINATIONS: Any FTA member company may submit an entry for their safety professional.

COMPANY ELIGIBILITY: Entries for the Safety Professional of the Year Award must be a member company of Florida Trucking Association and must have an active terminal in the state during the competition period. Eligibility is extended to persons responsible for safety in their FTA member company who have the authority to affect development of policies and programs related to loss prevention, safety awareness and compliance. Any individual or official of a trucking company who is a member of FTA in good standing may submit nominations. Nominees must agree to full disclosure of qualifications and background, including providing information to FTA/SMC Selection Committee. The Selection Committee shall keep such information confidential. Unsuccessful candidates may update and resubmit their nomination the following year. Award winners are ineligible for this award with a five-year period. Please note: special consideration is given to those applicants who actively participate in FTA Safety Management Council activities and events, such as TDC volunteering, SMC Executive Committee, driver appreciation events, vehicle inspections, etc.

JUDGING: Entries will be judged by a Selection Committee composed of former Safety Professional of the Year winners, whose decision will be based on the information provided as outlined in the "Nominee's Experience and Record" form. The nominee's activities in leadership and participation in FTA's Safety Programs will also be reviewed by the Selection Committee to determine the candidate's accomplishments in these areas.

IMPORTANT NOTE: The Safety Professional of the Year award is not necessarily awarded on an annual basis. It is awarded at the Selection Committee's discretion.

REQUIRED DOCUMENTS: Failure to provide items in a portfolio format will disqualify you from consideration.

- Nominee must be a person responsible for safety in their FTA member company who has the authority to affect development of policies and programs related to loss prevention, safety awareness and compliance.
