

2024 Florida Truck Driving Championships

Final scores are determined by the judges.

1st in class is awarded to the competitor with the highest total score in their class based on their written test, pre-trip inspection, and skills course.

Grand Champion is awarded to the driver that has the highest weighted average score compared to their class and the scores of their competitors.

Scores Available to Company Officials by Request

| Class | Place | Name | Final | Employer | ID | Written | Pre-Trip | Skills |
|--------------|-------|------------------------|-------|---------------------------|-----|---------|----------|--------|
| 3AXLE | | | | | | | | |
